

WHAT YOU CAN EXPECT ON A GOLF SCHOOL

Players of all ages and abilities are welcome including children over 12 years. You can come alone or with your partner or a group of friends. The emphasis is on refreshing your basic skills whilst also looking at your specific individual needs in a supportive and fun atmosphere. The schools cover all aspects of the game from;

- Woods to bunkers
- Individual VI video sessions
- Irons to putting
- On-course tuition

“My intention when coaching is to help my students understand how to improve their game and enjoy their golf. I do this by providing a full and comprehensive programme which covers all aspects of the game. This includes working with the student to identify what they want to change, making a plan for improvement, providing the necessary technical changes alongside drills and routines and helping them with on-course management. By doing this, we take the skills from the practice facilities onto the course and can measure the resulting improvements.”

TARLETON GOLF

In addition to the schools based in the UK, you can also attend one of Denise's schools in Spain, Turkey, Cyprus and Portugal. As Director of Golf for Tarleton Travel, Denise provides weeks of tuition and fun competitions in the sunshine during the Winter and Autumn, Spring and Summer.

The resorts used are Islantilla, El Rompido, Almerimar, Valle Del Este, Novo Sancti Petri & Benalup in Spain plus The Sueno & The Cornelia Diamond Spa hotel in Turkey. Prices and dates are available from www.tarletontravel.com or +44 (0)1604 633 633.
